

Getting to the Root

ISSUE

Problem presenting itself

The flower or fruit of root (core) problem.

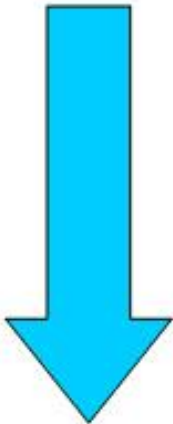

Pick the flower or fruit and more will grow eventually.

STEM

Pattern supporting Issue

Cut the stem and the stem and flower/fruit can grow back.

ROOTS

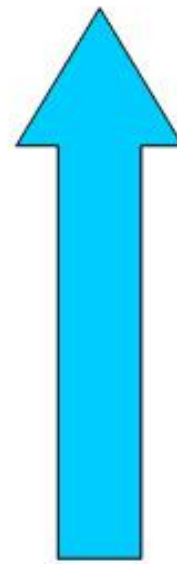

The Cause of Issue

Dig out the root and the stem and flower/fruit cannot grow again.

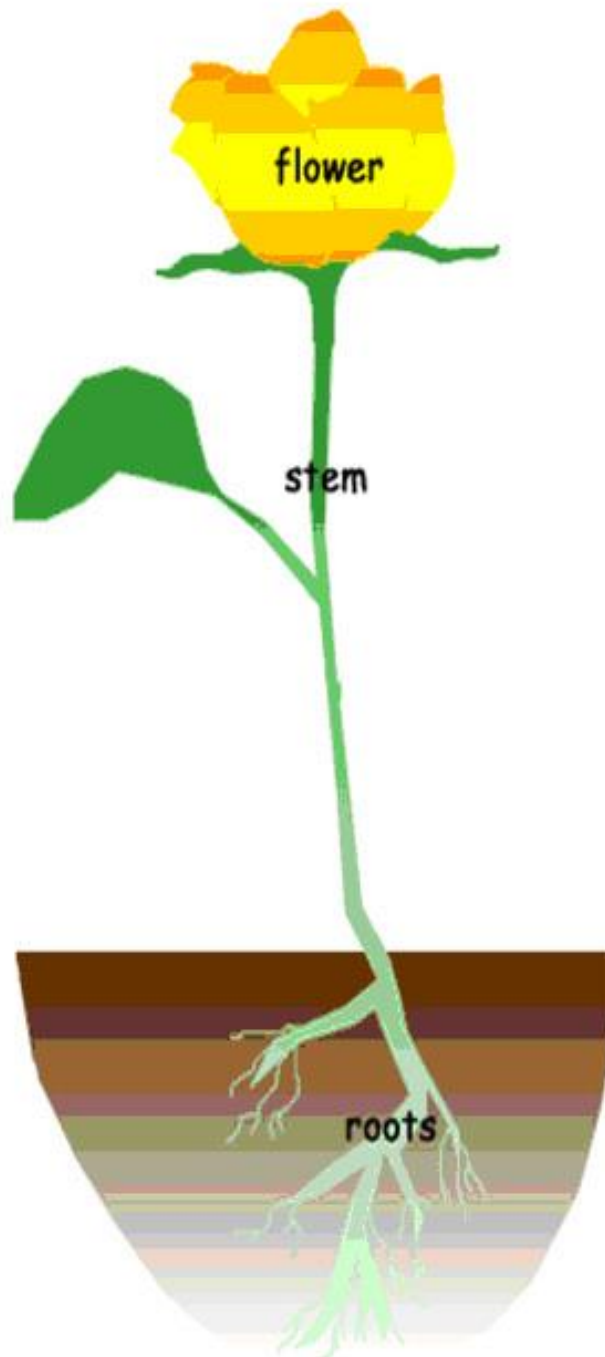

WORRY CONSTANTLY

NEED TO CONTROL

AFRAID TO GET IN TROUBLE

Tapping on the problem (physical, mental or emotional discomfort) presenting itself does get results. However, if you want long lasting results it is advantageous to get to the cause of the problem.
