GOD???

Most humans have a vocabulary and an ability to describe evil in just about every possible way.

It is important to develop a God vocabulary...language!

GOD???

Write out a list of your synonyms for God.

GOD???

Who wants to share their list or a part of it?

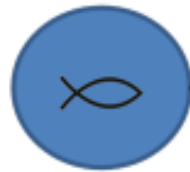

GOD???

God is the
Life Giving,
Life Sustaining
and Guiding Force/Source that is inherent in
EVERYTHING

Spiritual Evolutionary Steps

Spiritual Stages

FISH / GOD
OCEAN OF ONENESS

AMPHIBIAN / HUMAN CHILD
DO AS TOLD

REPTILE / ADOLESCENCE
SEEKER

BIRD / ADULT
AH-HA ENLIGHTENMENT

MAMMAL / MATURE ADULT
FULLY AWAKE
EMPOWERED BEING

Dependent-----Empowered

In the beginning you are in the Great Sea of Oneness...GOD. You take on a physical body, yet you stay close, worship and follow God, because GOD feeds and protects you. You reach a point when it is time for you to seek your own power...become independent. During your searching you travel far and high having many ah-has along the way until the one day when you have the mother of all AH-HAs. After this Awakening, you journey back down the mountain. As you go down the mountain you strive to own and embody what you have learned. When you touch back down, you enter the final stage where you are an ever present embodiment of Consciousness. 100% Conscious Awareness and Power resides in everything you Think, Say, Do, Feel and Will.

Spiritual Evolutionary Steps

I am glad I live in the period I do, and I'm sure there is good reason for that. The reason I say that is that what I am about to say would have gotten me hung, burned or drawn and quartered in the not so distant past.

God did NOT create you to worship God! Some extremely thirsty amphibians told us otherwise.

God created you to spread the LOVE ...to have beings that God could be in relationship with!!!

Think about it, if you were all by yourself hanging out in nothingness, what would you want?

The Quantum Leap

The Quantum Leap

Living at risk is jumping off the cliff and building your wings on the way down.

Ray Bradbury

The leap is really from one dimension to another.

The Quantum Leap

- God is external

- God created laws to control me.

- God decides for me.

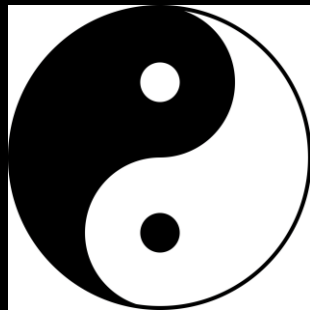

- God is in everything

- God's Laws aka Creation Laws were put in place to guide me, protect me & teach me how to create.

- God is helping me learn how to make better decisions aka creations for myself.

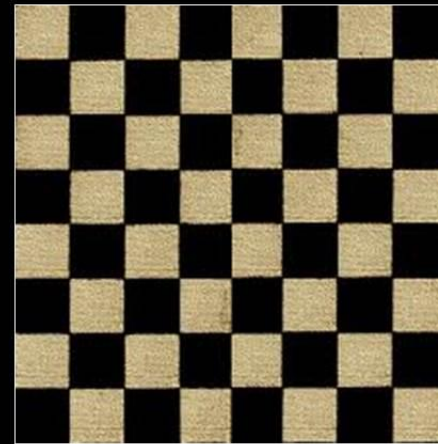

GOD is Source Code

“...source code is any collection of computer instructions... The source code is often transformed by an assembler or compiler into binary machine code understood by the computer.”

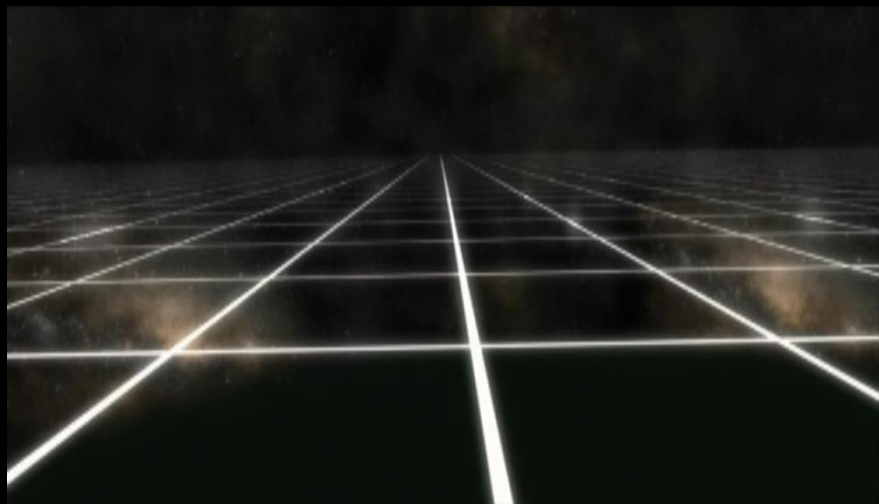

Binary Code

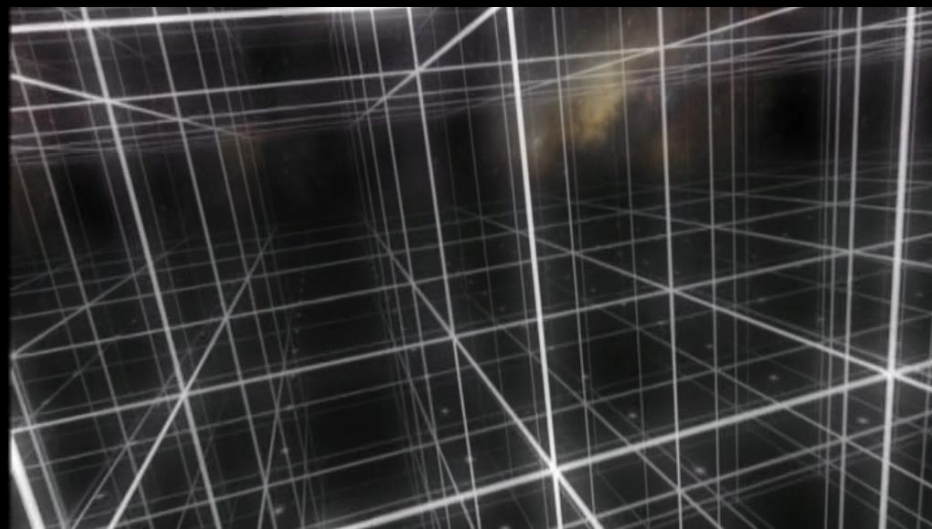

It has 64 squares.
 $8 \times 8 = 64$

64-bit Operating System

GOD is Source Code

It is all around us!

It is impossible to separate ourselves from it!

We are swimming and breathing in Source!

SELF LOVE

Close your eyes...

Looking back on your day, is there anything you would have done differently if you truly loved yourself.

Now, open your eyes and write down what you did, what you would have done and any revelations you may have gained from this mental exercise.

Pick one item from your list of things you would have done, and vow to do it at least once this week.

What are some ways to put spells
and/or curses on some one.

Cussing someone directly or behind their back is a form of Black Magic. **Black Magic** = directing energy with less than life sustaining and supporting energy.

Gossip

Black Magic

Spells and curses are a lot like parasites.
A visual I like is Dracula.

Dracula is like a parasite. They both feed off of
your blood and drain your life-force over time.

Sometimes once you asked to see beyond your limited perception a problem will rectify itself. However, there are situations where you may have to do a little more than just becoming aware.

In these situations, you can ask God
aka Spirit aka energy to take it away
from you.

You can reject the energy.

“I reject _____!” “I rebuke you _____.”

Use Reiki, EFT, prayer or any other type of
energetic work to loosen and clear the cure
“negative energy.”

1. Ask for help
2. Do some type of rejection
 - EFT, Reiki
3. Be aware of your own energy...how you are affecting others and how others may be affecting you.
